OUR MISSION

Create and support one-to-one mentoring relationships that ignite the power and promise of youth.

Yavapai Big Brothers Big Sisters is a donor and volunteer supported organization. Founded in 1971, Yavapai Big Brothers Big Sisters currently serves 300+ youth. Our service area encompasses 20 communities and 65 schools throughout Yavapai County and Sedona.

The agency operates two offices: Prescott and Cottonwood, under the direction of Executive Director Erin Mabery.

Yavapai Big Brothers Big Sisters operates under the belief that inherent in every child is the ability to succeed and thrive in life. As the nation's largest donor and volunteer supported mentoring network, Big Brothers Big Sisters makes meaningful, monitored matches between adult volunteers ("Bigs") and children ("Littles").

Research tells us that, compared to all other children their age, boys and girls matched with a Big Brother or Big Sister perform better in school and avoid violence and illegal activities, and have stronger relationships with their parents and others.
